

## COUNTER-PETITION BEING CIRCULATED

Citizens of Petersburg Sign Pro-  
test Against Local Option  
Election.

Times Dispatch Bureau,  
105 Sycamore Street,  
Petersburg, Va., April 19.  
A petition calling for a public meet-  
ing of citizens to protest against local  
option is being circulated, and is re-  
ceiving many signatures. The date  
of the meeting and the names of the  
signers will be announced later. But  
the meaning of the petition for a  
local option election has been placed  
in the hands of the judge of the Jus-  
tice Court, and it is believed that  
it will issue the order for the elec-  
tion tomorrow.

Arrangements have already been  
made for an elaborate reception to  
be given President Taft when he  
comes to Petersburg May 19. It is  
opposed to make that reception one  
of credit to the Cockade City and  
worthy of the office of the distinguished  
visitor. The city, in its official capacity,  
will lead in welcoming exercises, in  
which all principal business and civic  
organizations will unite.

**News In General.**

chants, are arranging for the erection

production of their own business.  
To-day is the forty-seventh anniver-  
sary of the departure of the Peters-  
burg troops for the front in the great  
war of 1861-1865. The gray-haired  
veterans of to-day, recall the event  
with interest.

**Joke on the Fire Department.**  
Several weeks ago a man and a wo-  
man, strangers in the city, obtained  
the consent of Chief E. V. Farley, of  
the Fire Department, to get out an  
official fire-alarm card for advertising  
purposes, promising to give the Fire-  
men's Relief Fund 20 per cent. of the  
proceeds. It is reported that the  
strangers obtained a considerable  
amount of money from merchants for  
advertisements, and that they left

without ceremony, and without giving  
anything to the fund. The fund was

in Philadelphia.

**Regimental Election.**  
A meeting of the committee on elec-  
tion of the Second Battalion, Second  
Regiment, Virginia Infantry, will be  
held in this city on the 8th of May, to  
elect a major to succeed the late Ma-  
jor A. R. Moody. Captain Benj. Harri-  
son, of this city, the ranking captain  
of the battalion, is mentioned for the  
promotion. The companies comprising  
the battalion are those located in Pe-  
tersburg, Roanoke, Chase City and  
Harrisonburg.

through a rear window and some

**To Entertain a Taft.**  
At a special meeting of the Common  
Council, held this morning, President  
Patterson offered a resolution appro-  
priating \$5,000 for the entertainment  
of President Taft and the Pennsylvania  
Legation when they visit Petersburg  
on May 19 for the purpose of unveiling  
the monument erected at Fort Mahone  
by the Pennsylvania veterans.  
The resolution was referred to the  
Finance Committee, and that commit-  
tee immediately met and approved the  
appropriation. The resolution will  
come up for final action at a joint  
meeting of the Council and Board of  
Aldermen to be held to-morrow eve-  
ning.

## ARGUMENTS NOT CONCLUDED.

**Russ Murder Case Will Go to Jury This  
Afternoon.**

WHITEVILLE, N. C., April 19.—All  
of to-day in the sensational Russ mur-  
der trial in the Federal Court here  
will be taken up with argument  
to the jury, which will not be con-  
cluded before 10 o'clock to-morrow.  
Four attorneys for the defense and two  
for the State spoke during the day,  
the prosecution endeavoring to estab-  
lish the guilt of the defendant by the  
crime and attacking strongly the alibi  
set by the defense, which argues that  
not only was there a lack of motive in  
the two men were the best of  
friends, but there was a lack of op-  
portunity, in that the prisoner has ac-  
cused for his whereabouts on the  
night of the murder by the witnesses  
himself, except two hours at the  
utmost, and that it would have been  
impossible for the defendant to have  
crossed the river twice within that  
period. N. A. Siler, N. A. Siler, N. A.  
Siler, David G. Lomax, of White-  
ville, for the defense, will conclude  
the argument to-morrow.

## AMONG THE GAMBLERS.

**Sports at Last Realize That Chief Is  
In Earnest.**  
[Special to The Times-Dispatch.]  
NORFOLK, Va., April 19.—Norfolk's  
gambling rooms are bottled up tight.  
If rumors can be believed, Norfolk  
county will soon have the majority of  
such establishments. The chief of  
Chief Kizer, issued Saturday night, is  
the cause. The sports realized that  
the officials meant business.  
Chief Kizer declared to-day that all  
the resorts have to do is to open their  
doors again, and he will show his  
tactics. He declares that he will per-  
sistently raid these places, arresting  
the proprietors and holding all pres-  
ent witnesses. He will not concern  
himself with the question of the pro-  
secution, leaving it to the Common-  
wealth's attorney. But he is deter-  
mined that the poker rooms and crap  
joints shall not exist without receiv-  
ing constant annoyance at least by  
reason of raids.

The chief said: "We are not particu-  
larly concerned as to what disposi-  
tion is made of the cases in the Police  
or Corporation Courts, the Supreme  
Court of Appeals of Virginia, or the  
Supreme Court of the United States.  
We know that if we have no legal  
right to break up gambling, the own-  
ers of the places are amply able to  
employ counsel to look after their end  
of it, and we shall proceed along the  
lines we have mapped out just the same.  
The matter has been put up to me, and  
I propose to break up the gambling  
houses in Norfolk if it is possible to  
do so."

## FIGHT GROWS WARMER.

**Liquor People and Anti-Saloonists Are  
Hard at Work.**

[Special to The Times-Dispatch.]  
NORFOLK, Va., April 19.—The ac-  
tivity of the leaders of the Anti-Sa-  
loon League, in preparation for a local  
option election in Norfolk is beginning  
to awaken interest, and probably means  
that there will be a lively campaign  
in progress before many days.  
The canvass of committees from the  
various churches in order to secure  
the registration of all available  
strength is in progress, and the leaders  
of the "Antis" are confident that they  
will add from 1,500 to 1,800 names to  
the voting lists before May 2.

It is further announced that there  
will be no effort to call the election  
until after May 2, or until the regis-  
tration of voters closes for the next  
election. Following this the petition  
will be presented to the court and a  
date asked for the election.  
The saloon people still seem confident  
of defeating the anti-saloonists at the  
polls. They claim to have in the  
neighborhood of 1,000 majority on the  
books at present, and do not believe  
this can be overcome. They also will  
begin an active canvass at once for  
the registration of all available strength.

## CAUGHT IN NET.

**W. T. Justice, Entangled in Meshes,  
Meets Death in River.**

[Special to The Times-Dispatch.]  
NEWBERRY, N. C., April 19.—Late  
yesterday afternoon, while out sailing  
in a small sailboat on the Neuse River,  
near the "dynamite house" and in plain  
view of Newberry, the boat fouled in  
a shad net and turned over, throwing  
the occupants, B. E. Meeks, agent of  
the Atlantic Coast Line Railway, a  
billing clerk, and W. G. Justice, op-  
erator in the water. Mr. Boyd clung to  
the boat. Mr. Meeks caught in a net  
not pole, but Mr. Justice, the only mem-  
ber of the party who could swim, in  
attempting to reach a shad net pole,  
went under and was drowned. Boyd  
and Meeks managed to attract the at-  
tention of the occupants of a nearby  
boat and were taken on board half an  
hour completely exhausted.  
The body of Justice was found this  
morning about 10 o'clock by a crew  
from the revenue cutter Pamlico. The  
body was entangled in a shad net,  
which caught in the latches of his  
shoes, thus preventing him from swim-  
ing. The body was taken to Teachey's,  
N. C., for burial to-night.

Mr. Justice, aged about twenty-six,  
was a native of Tennessee, Duplin coun-  
ty, N. C., and had only been here a  
short time. He leaves a wife and two  
children who were at Teachey's when  
the accident occurred.

## WIFE-BEATER KILLED.

**Negro Beats Death After Threatening  
to Do Murder.**

[Special to The Times-Dispatch.]  
WAYNE, Va., April 19.—A fatal  
shooting occurred near Homeville, in  
this county, yesterday. Solomon Graves,  
colored, had cruelly beaten his wife  
in the forenoon. His wife's brother,  
Cyrus Urquhart, accompanied the wo-  
man to see Justice Kitchen that she  
might secure a warrant against her  
husband. There was no constable in  
the neighborhood and the justice de-  
cided not to issue the warrant until  
to-day. When the justice heard of the  
beating, he became very much enraged  
and declared that he would take the  
law into his own hands. He went to the  
house of the justice for his gun, and  
with a drawn pistol and Urquhart  
drove him back with a shotgun. Ur-  
quhart's plea was self-defense. Ur-  
quhart drove to Waynesville and sur-  
rendered.

## AFTER A FEVER

And Other Acute Diseases a  
Tonic is Often Needed to  
Restore Normal  
Health.

The evil effects that follow many  
diseases, particularly the grip, pneu-  
monia and the wasting fevers, such as  
typhoid and malaria, are caused by  
the bad condition in which these dis-  
eases leave the blood. As a result  
the flesh continues to fall away, the  
sufferer grows nervous and irritable,  
and even slight exertion causes short-  
ness of breath. These are dangerous  
symptoms and indicate that the sys-  
tem is in a state that invites bron-  
chitis or even consumption. What is  
needed is a new supply of rich, red  
blood to carry health and strength to  
every part of the body. Such a spe-  
cific has been found, and in hundreds  
of cases it has been proved that Dr.  
Williams' Pink Pills have accomplished  
this result.

Mrs. L. L. Leisewring, of No. 610 Sixth  
Avenue, Williamsport, Pa., says:  
"When I was thirteen years old I  
had an attack of typhoid fever. I was  
sick for over three months and was  
left in a very weak condition. I con-  
tinued with the doctor's medicine,  
which helped me for a time, but it  
never made me entirely well. When I  
reached my eighteenth or nineteenth  
year my health was very poor. My  
blood was so thin that my lips had no  
color and my ears were nearly trans-  
parent. I could not go all the way up  
stairs without sitting down and rest-  
ing. My heart palpitated. I was chilly  
most of the time and wanted to be  
where it was warm. There was an  
annoying ringing sensation in my  
head. I was nervous, irritable, had no  
strength or ambition, and was so  
weak that I was out of school for one  
whole term. The doctor and my friends  
thought I would go into consumption."  
"I read about Dr. Williams' Pink  
Pills in the papers, and decided to try  
them. I had taken only a few boxes  
when I began to improve wonderfully.  
My color came back, the ringing sen-  
sation stopped, and I became stronger  
in every way. After a further trial  
I was entirely cured, and was strong-  
er and healthier than I had ever been.  
That I have never been in a run-  
down condition since is due, I think,  
to Dr. Williams' Pink Pills."  
These pills are sold by all druggists  
or will be sent, postpaid, on receipt  
of price, five cents per box, six boxes  
\$2.50, by Dr. Williams' Medi-  
cine Company, Schenectady, N. Y.

## POSTMASTER TRIES TO KILL HIMSELF

Forty-four Calibre Bullet Pierces  
Body and Knocks Rung from  
Chair.

[Special to The Times-Dispatch.]  
WINCHESTER, Va., April 19.—Post-  
master J. Robert Elder, of Berryville,  
Clarke county, attempted to commit  
suicide this morning by shooting him-  
self in the chest with a .44 calibre  
revolver, while sitting in a  
chair at his home. The bullet took a  
downward course, came out his back  
and knocked a rung from the chair.  
Dr. J. E. Harris, attending physician,  
stated to-night that he had a slight  
chance to recover.  
Friends of the postmaster are at a  
loss to account for his act. His post-  
office accounts are said to be straight.  
The shooting occurred after he had  
helped to distribute the morning mails.  
Postmaster Elder is about forty-five  
years old, and has a wife, one son, a  
daughter, and a sister, Miss Anna  
Elder, of Washington. His family is  
prominent in society circles, and the  
affair has created a sensation.

## IDEAL EFFICATION IS NOW COMPLETE

Woman Picks Her Assailant Out  
from Number of Negroes  
in Cell.

[Special to The Times-Dispatch.]  
RALEIGH, N. C., April 19.—The ne-  
gro Washington Whataker, brought  
here from Wilson charged with bur-  
glarizing the home of W. R. Collins,  
in West Raleigh, and shooting Mrs.  
Collins as she ran from him with her  
infant in her arms, was identified by  
Mrs. Collins to-day. Mrs. Collins was  
taken to the Wake jail to have a look  
at the negro, and she picked him out  
from among a half-dozen assembled in  
a cell for the purpose of testing her  
recollection of the appearance of the  
negro she saw in her home. She point-  
ed him out readily. The prisoner made  
no comment on the identification,  
neither denying or admitting his guilt.

**Pleas Inability.**  
Receiver Harry Volcott, Superin-  
tendent R. P. Foster and Industrial  
Agent Fred L. Merritt, of the Norfolk  
and Southern Railway Company, and  
W. N. Royal, of the Atlantic Coast  
Line, spent several hours in the city  
to-day in conference with the Corpora-  
tion Commission relative to the use of  
the Union Passenger Station of the At-  
lantic Coast Line and the Southern at  
Goldsboro. The Norfolk and Southern  
officials pleaded financial inability to  
incur the additional expense of the  
union station. The whole situation  
was thrown into confusion by the fact  
that the commission will within the  
next few days make an order in the  
case. Both mail and passenger con-  
nections are frequently missed at  
Goldsboro because of the fact that the  
Norfolk and Southern Station is in a  
section of the city far from the new  
station erected by the Southern and  
the Coast Line.

**Head Flattens Bullet.**  
The actual flattening of a bullet  
against the skull of a negro occurred  
here early this morning when Lee  
Lawson, a 300 lb. man, engaged in a  
fight over a game of crap in a shanty  
on the yards of the Seaboard Air Line  
freight station, and Hall drew his .32  
calibre revolver and fired squarely  
at Lawson's head. The ball struck  
on the right of the forehead, plowed  
an inch to one side and then fell to  
the ground flattening almost all re-  
semblance to a bullet. Hall fled, think-  
ing that he had probably mortally  
wounded Lawson, but when he  
learned the result of the shot he pre-  
sented himself to a justice of the peace  
and submitted to the charge of as-  
sault with a deadly weapon.

**Notable Wedding.**  
There will be an especially notable  
wedding here Wednesday evening at 9  
o'clock in the First Baptist Church,  
when Miss Leah Shaw Douglass,  
daughter of Mr. and Mrs. W. C. Doug-  
lass, becomes the bride of Theodore  
Augustus Richards, Jr., of Baltimore.  
The marriage ceremony will be fol-  
lowed by a reception at the home of  
the bride's parents.

**Want Better Facilities.**  
The Corporation Commission will  
this week pass on the petition of a  
people of Morganton for more modern,  
adequate and better located freight  
station facilities. The present station  
has only one delivery door, is entire-  
ly too small, and is so situated that  
all hauling to and from the business  
part of the town must involve cross-  
ing the main line and yard tracks of  
the Southern.

**Judge C. C. Lyon** convened a three  
weeks' civil term of Wake Superior  
Court to-day. The docket is the  
heaviest on record in this county,  
over three hundred cases. Probably  
not one hundred of them will actually  
get to trial. There are quite a num-  
ber of damage suits against railroads,  
the Seaboard Air Line having ten set  
for trial and one on the motion docket,  
and the Southern having eight set for  
trial and two on the motion docket.

## SORSBY PAYS.

**He Compromises Proceedings Brought  
by Former Valet.**  
CHARLOTTE, N. C., April 19.—W. B.  
Sorsby, former minister to Bolivia, was  
placed under \$5,000 in arrest and bail  
proceedings to-day as the result of  
charges of malicious prosecution  
brought by his former valet, Vences-  
lao Aguirre, who was arrested on the  
allegation that he had robbed his em-  
ployer of gold nuggets, and was af-  
terwards released. Later in the day  
a compromise was effected by coun-  
sel for the parties by which Aguirre  
received \$250 and Sorsby paid the costs.

## BOY BURNS TO DEATH.

**Carries Matches to Burn and Sets Hay  
on Fire.**

[Special to The Times-Dispatch.]  
SALISBURY, N. C., April 19.—James  
A. Sorsby, a twelve year old boy, and  
Mrs. C. J. Kariker, was burned to  
death in a barn at their home near  
Salisbury this afternoon. The barn  
was discovered on fire, and the family  
rushed to the scene, when, to their  
horror, the charred body of the boy  
fell from the loft, burned beyond re-  
cognition. It is believed the lad car-  
ried matches to the hay loft and set  
it on fire.

## WOMEN ARRESTED.

**They Are Charged With Shoplifting in  
Lynchburg Store.**

[Special to The Times-Dispatch.]  
LYNCHBURG, Va., April 19.—Two  
white women were arrested in a Main  
Street department store to-day, charged  
with shoplifting, and they were de-  
tained at the police station until called  
for their appearance for trial to-mor-  
row. Another woman was fined \$20  
this morning upon her plea of guilty  
to charges of stealing hats valued  
at \$39 from the same store.

**Killed by Automobile.**  
[Special to The Times-Dispatch.]  
BLACKSBURG, Va., April 19.—John  
Black, a colored man forty-five years  
old, and employed for years in the  
home of Professor Theo. P. Campbell,  
was knocked down on Main Street Fri-  
day night by an automobile driven by  
J. H. Shultz, steward of the V. P. L.,  
and died last night. Black, who was  
totally deaf, was walking on the street  
confused by the lights, turned di-  
rectly towards the machine. No blame  
for the accident is attached to Mr.  
Shultz, who is known here as a most  
careful driver.

**Will Give Portrait.**  
[Special to The Times-Dispatch.]  
LYNCHBURG, Va., April 19.—The  
Garland-Rodes Camp, Confederate Vet-  
erans, have been advised by Mrs. Lina  
Simpson Fortenbarger, of Point Pleas-  
ant, W. Va., that she will donate a  
portrait of General John McCausland,  
of this State, the picture to be hung  
in the hall of the camp in the Jones  
Memorial Library Building. General  
McCausland was in active command of  
Confederate forces during the Civil War.

**Confirmed Classes.**  
[Special to The Times-Dispatch.]  
FREDERICKSBURG, Va., April 19.—  
Bishop R. A. Gibson, who preached at  
St. George's Episcopal Church, in this  
city, yesterday morning, advised that  
a class of candidates and preached at  
night at Trinity Church in this city,  
where he confirmed another class, to-  
day for King George county, where

## PEOPLE OF THE WEST FLOCKED TO SEE COOPER

Sufferers from All Sorts of Ills Eager to Learn  
About His Theory and Medicine.

During a recent tour in the West,  
L. T. Cooper made visits in Kansas,  
where thousands of people talked with  
him and purchased his medicine.  
His success was so phenomenal as  
to cause universal comment both by  
the public and the press. There must  
be a reason for this. Here is the rea-  
son given in his own words by Mr.  
Cooper when interviewed on the sub-  
ject. He said:  
"The immense numbers of people  
who are calling on me here in the  
West is not unusual. I have had the  
same experience for the past two  
years wherever I have gone. The reason  
is a simple one. It is because my  
medicine puts the stomach into good  
condition. This does not sound un-  
usual, but it is, in fact, the key to  
health. The stomach is the very foun-  
dation of life. I attribute 70 per cent.  
of all sickness directly to the stomach.  
"Neither animals nor men can re-  
main well with a poor digestive ap-  
paratus. Few can be sick with a di-  
gestion in perfect condition. As a  
matter of fact, most men and women  
to-day are half-sick. It is because  
of much food and too little exercise  
have gradually forced the stomach  
into a half-sick condition. My medi-  
cine gets the stomach back where it  
was, and that is all that is necessary."

Among Kansas people who are stand-  
ing believers in Mr. Cooper's theory is Mr.  
J. L. Hayalp, residing at 203 Kansas  
Avenue, Oakland, Kansas. He says:  
"For some time I have been a suf-  
ferer from rheumatism. It finally be-  
came so bad that I could not sleep at  
night, and I was getting worse every  
day, despite the fact that I was using

various remedies that had been recom-  
mended to me.  
"One evening I happened to notice  
in the Tropic papers an article about  
the preparations Mr. Cooper was in-  
troducing in that city, and although  
I was skeptical of results, I decided  
to give him a trial.

"I went to Mr. Cooper's headquar-  
ters and bought a bottle of the New  
Discovery medicine. It seemed to help  
me from the start, and within a week  
I was feeling like a different man.  
Its continued use has relieved me of  
rheumatism, and my sleep is now  
sound and restful. I am feeling better  
in every way.

"My wife also used the New Dis-  
covery with very beneficial results  
for kidney trouble and nervousness.  
Frequently while handling the dishes  
her arms would give a jerk and the  
dishes would fall to the floor and  
break. She could not rest well at  
night. She had severe pains across  
her back, and felt weak and exhausted  
all the time.

"After taking Cooper's New Discovery  
a short time her nerves were won-  
derfully quieted and strengthened, the  
pains in her back subsided, she slept  
more soundly and felt much improved  
in every way. The New Discovery did  
her more good than any medicine she  
had ever taken.

"Cooper's New Discovery is the first  
medicine I have ever used that has  
done exactly as claimed, and I can  
honestly recommend it to others."

Cooper's New Discovery is on sale  
by all druggists everywhere. A sam-  
ple bottle mailed free upon request by  
addressing The Cooper Medicine Com-  
pany, Dayton, Ohio.
